

Semua OPD Wajib Kosongkan Jadwal Saat Road Show Bus KPK

KANIGARAN. Wakil Wali Kota Probolinggo, Mochamad Soufis Subri menginstruksikan semua Organisasi Perangkat Daerah (OPD) mengikuti sosialisasi yang akan digelar Komisi Pemberantasan Korupsi (KPK) di Kota Probolinggo. Kota Probolinggo akan disinggahi road show bus KPK pada tanggal 15 sampai 17 Juli 2019. KPK akan menggelar sosialisasi antikorupsi yang juga akan melibatkan pelajar setingkat TK, SD, SMP dan SMA pada tanggal 16-17 Juli 2019.

Instruksi tersebut disampaikan Subri saat memimpin rapat persiapan road show bus KPK, di Puri Manggala Bhakti, Kamis (11/7). Subri meminta OPD untuk tidak menjadwalkan kegiatan pada tanggal 15-17 Juli 2019.

“Saya sudah berbicara dengan Pak Wali, beliau ingin seluruh OPD mengosongkan jadwal pada saat KPK datang. Seluruh OPD wajib hadir,” ujar Subri.

“Ini kegiatan biasa saja, tapi maknanya harus kita sukuri. Tidak semua Kota/Kabupaten disinggahi Bus KPK ini. Semoga dengan dikunjungi KPK ini, kita akan semakin baik. Ini momen yang sangat baik, dan kita bisa mempercepat pembangunan di Kota Probolinggo,” harap Wakil Wali Kota.

Sebelum menutup rapat, Subri mengingatkan beberapa hal. Di antaranya, antisipasi kemacetan, karena jalur selatan Jl. Panglima Sudirman di depan Pemerintah Kota Probolinggo menjadi lokasi utama road show bus KPK ini. Subri juga mengingatkan agar kedatangan KPK ini tidak dijadikan momentum untuk demo.

“Kita harus mengantisipasi kemungkinan terjadinya demonstrasi, misalnya riak-riak terkait transportasi online. Namun jangan juga ditutup berlebihan, karena diharapkan masyarakat umum juga turut serta dalam kegiatan ini,” ingat Subri.

Selain sosialisasi kepada siswa, road show Bus KPK bertajuk "Jelajah Negeri, Bangun Antikorupsi" ini juga akan diramaikan dengan pameran pelayan publik seperti pelayanan pembuatan KTP, dan perpanjangan SIM. Juga akan ada festival kuliner daerah, pemutaran film antikorupsi, kesenian ludruk, penampilan band, serta games interaktif.

Terkait dengan penataan parkir, seluruh pegawai di Sekretariat Daerah akan diarahkan ke kantor Dinas Satpol PP. sementara, undangan dan peserta akan diarahkan parkir di kompleks Kodim 0820 Probolinggo. **(Abdurhamzah/humas)**

Vice Mayor of Probolinggo, Mochamad Soufis Subri has instructed all Regional Working Units (OPD) to take part in the dissemination held by the Corruption Eradication Commission (KPK) in Probolinggo City. The KPK roadshow will visit the city on July 15-17, 2019. The KPK will hold an anti-corruption dissemination program that will also involve kindergarten, elementary, junior, and high school students on July 16-17, 2019.

The instruction was delivered by Subri while leading the preparation meeting for KPK roadshow, in Puri Manggala Bhakti, Thursday (11/7). Subri asked OPD not to schedule activities on 15-17 July 2019.

"I have talked to the mayor; he wants all OPD to take part in this activity, to clear the schedule when the KPK arrives. All OPDs must attend," Subri said.

"This is just an ordinary activity, but we have to be grateful to be selected as one of the cities visited by KPK. Not all cities/regencies visited by KPK. Hopefully, this activity can make us better. This is a very good moment, and we can accelerate development in the city," the vice mayor hopes.

Before closing the meeting, Subri reminded several things including the possibility of traffic jams since the southern route on Jl. Panglima Sudirman in front of the mayor's office

would be the venue of the KPK bus roadshow. He also reminded the working units that the arrival of the KPK should not be used as a momentum for demonstrations.

“We must anticipate the possibility of demonstrations, for example, the issues related to online transportation. Make it like a semi-open event, because it is expected that the people will also participate in this activity,” Subri reminded.

In addition to dissemination to students, the KPK Bus roadshow entitled “Explore the Country, Build Anti-Corruption” will also be enlivened with public service exhibition such as ID card services, and driving license extensions. There will also be regional culinary festivals, anti-corruption film screenings, ludruk art, band performances, and interactive games.

Related to parking management, all employees at the Regional Secretariat will be directed to the Public Order Agency Office. Invitees and participants will be directed to park in the area of Probolinggo’s Military District (Kodim) 0820.
